The chicks

If it feels
painful

it's better
not to fall
in love

Love is a few
seconds away

That was
just a lie

—but

whether it's
my heart
racing as I
think of you

or feeling
light-
hearted
and happy

I was right...

It's better
not to fall
in love.

they are
irreplaceable!

Those
feelings are
precious to
me,

[I cannot give server up, so I'm going
to stay in this room, even till now,
Am still waiting for server.]

So my feelings—
I'm going to
depend on my blog
to convey them.
